

Brownfields Teleconference:

EPA Region 5 Brownfields Proposal Guidelines Workshop - *Helping Applicants Understand Grant Requirements*

*Bruce Vento Nature Sanctuary
St. Paul, Minnesota*

Hosted by EPA Region 5, the Brownfields Grant Proposal Guidelines Training is designed to help potential applicants be successful by offering important Brownfields grant information, application criteria, and useful strategies for writing a competitive proposal. Led by Region 5 staff, the interactive session allows participants to ask questions on-line, while reviewing the materials via the Web site and listening to presentations via telephone. The following topics will be addressed during the session:

- ✓ The different EPA brownfields grant types and candidates eligible to apply
- ✓ The grant application process and the threshold and ranking criteria
- ✓ Proposal tips and strategies

Who Should Participate?

Local governments and nonprofit organizations in Region 5 who are currently considering applying for an EPA Brownfields assessment, cleanup, or RLF grant are strongly urged to participate.

How to Register

Registration is free. Please visit <http://www.clu-in.org/conf/tio/bfR5propguide>. Call-in information and full instructions for accessing the course will be provided to you upon registration. *Please note:* You will need internet access to download the presentation the day of or prior to the session. During the session, you can listen to the presentation through an internet simulcast (internet access with audio capability) or by calling in. Limited phone lines are available for this course. We encourage you to register early and when appropriate to share a phone line with others from your organization. If you have any questions about registration, please contact Ben Horwitz at SRA International, Inc. at (703) 284-6982 or Ben_Horwitz@sra.com.

Workshop Date and Location

The workshop will be held on July 17, 2007 from 9:00–11:00 AM CDT via U.S. EPA's CLU-IN Internet Seminar.
